Provided further that the Collector may, by special order, authorise any such practitioner to possess as aforesaid any larger quantity of the said drugs.

(2) No approved practitioner shall, for the purpose of sale possess any quantity of coca derivatives:

Provided that such practitioner may under a special permit granted in this behalf by the Collector, in Form DD 3 hereto annexed possess for use in his practice coca derivatives containing not more than 60 grains of cocaine in the aggregate:

Provided further that the Collector may authorise any such practitioner to possess as aforesaid a larger quantity of coca derivatives containing not more than 120 grains of cocaine.

(3) The expression "use in his practice" in sub-rules (1) and (2) means only the actual direct administration of the drug in injections, surgical operations or other emergent cases by or in the presence of an approved practitioner. All other issues of the drug by an approved practitioner shall be deemed to be sales, except in the case of issues free of charge from specially recognised charitable medical institutions.

7. (1) A medical officer belonging to the Subordinate Medical Service in charge of Government and Government grant-in-aid Medical Institutions may possess manufactured drugs (other than prepared opium) for use in such institutions.

(2) An approved practitioner in charge of Local Board or Municipal dispensaries or in charge of hospitals and dispensaries belonging to missions and other corporate bodies may possess manufactured drugs (other than prepared opium) required for use in such dispensaries and hospitals.

(3) An approved practitioner in charge of hospitals and dispensaries belonging to railways administered by Government may possess manufactured drugs (other than prepared opium) for use in such hospitals and dispensaries.

8. (1) No person, unless he is authorised in this behalf by the Collector by an order made under rule 28 (1) shall possess opium derivatives (other than prepared opium) and medicinal hemp and not exceeding such quantities and otherwise than in such manner as may be specified in such order.

(2) No person, unless he is authorised in this behalf by the Collector by an order made under rule 28 (2), (3) or (4) shall possess and use manufactured drugs (other than prepared opium) for educational or scientific purposes or for use in an emergency and not exceeding such quantity and otherwise than in such manner as may be specified in such order.

9. No licensed dealer in manufactured drugs or licensed chemist shall possess manufactured drugs (other than prepared opium) except in such quantity and in such manner as may be specified in his license.

10. No person shall, without an authorization granted to him under these rules for the import, export or transport of manufactured drugs (other than prepared opium) possess such drugs exceeding such quantity and otherwise than in such manner as may be specified in such authorization.

IV.—Import, Export and Transport.

11. No person shall import, export or transport manufactured drugs (other than prepared opium) except in such quantities as he may lawfully possess under rule 5.

12. (1) No approved practitioner shall import, export or transport opium derivatives (other than prepared opium) and medicinal hemp except in such quantities as he may lawfully possess under rule 6 (1).

(2) No practitioner shall, without a license in Form DD 2 hereto annexed or a special permit in Form DD 3 hereto annexed, import, export or transport coca derivatives containing not more than 20 grains of cocaine for use in his practice, provided that no such export or transport shall be made for sale.

13. (1) An approved practitioner in charge of hospitals and dispensaries belonging to railways administered by Government may transport manufactured drugs (other than prepared opium) required for use in such hospitals and dispensaries.

(2) A medical officer belonging to the subordinate medical service in charge of Government and Government grant-in-aid medical institutions may transport manufactured drugs (other than prepared opium) required for use in such institutions.

14. (1) No person, unless he is authorised in this behalf by the Collector by an order made under rule 28 (1), shall import or transport opium derivatives (other than prepared opium) or medicinal hemp and not exceeding such quantity and otherwise than in such manner as may be specified in such order, on an indent countersigned by the Chief Medical Officer, Civil Surgeon or the Superintendent of the Civil Veterinary Department.

(2) No person, unless he is authorised in this behalf by the Collector by an order made under rule 28 (2), shall transport manufactured drugs (other than prepared opium) for educational or scientific purposes and not exceeding such quantities and otherwise than in such manner as may be specified in such order.

15. No person shall, without an authorization granted to him under these rules for the import of any manufactured drug (other than prepared opium), import that drug exceeding such quantity and otherwise than in such manner as may be specified in such authorization.

16. No licensed dealer in manufactured drugs shall, unless permitted by the Commissioner of Excise, Bombay, or by an officer duly empowered in this behalf by the Commissioner of Excise, Bombay, import medicinal opium from the Ghazipur Factory (hereinafter referred to as " the Factory "). Such import shall be permitted subject to the following conditions :—

(1) Every application for the supply of medicinal opium shall be sent to the Director of Excise and Prohibition, Bombay, through the Collector. Such application if approved by the Director of Excise and Prohibition, Bombay, will be forwarded to the Opium Agent, Benares, for decision.

(2) The stock in hand on the date of application shall be stated and the quantity of opium applied for shall not be more than sufficient for six months' manufacture, subject, however, to the minimum of 5 pounds prescribed in sub-rule (9) for individual indents.

(3) The purposes for which the medicinal opium is required shall be specified in the application.

(4) An intimation of the despatch of each consignment shall be sent by the Superintendent of the Factory to the Collector who shall make arrangements for its examination on arrival by a responsible officer not below the rank of a Sub-Inspector of Excise.

(5) A complete record of the quantity of medicinal opium received and used for each preparation, with the amount of each product manufactured and its morphine contents shall be maintained in such form as the Collector may prescribe. Such record shall be periodically examined by the Superintendent of Excise and shall also be open to inspection by any Excise Officer not below the rank of Assistant Inspector.

(6) Every consignment on arrival shall be examined by the officer referred to in sub-rule (4) and immediately brought to account in the form prescribed in sub-rule (5). No part of the medicinal opium shall be medicated except in the presence of such officer, who shall witness—

(*a*) in the case of liquid extracts or tinctures—the beginning of the planning in the evaporators or the addition of the solvent in the percolators ;

(*b*) in the case of mixtures—the thorough admixture of the medicinal opium with other drugs.

Two clear days' notice shall be given to such officer of any medication of medicinal opium.

(7) No medicinal opium shall under any circumstances be sold or shall be allowed to be removed from the premises of the person to whom it has been issued, otherwise than as part of a manufactured medicinal preparation, and no medicinal opium shall be used for purposes other than those specified in the application.

(8) It shall be competent to Government to supply medicinal opium to such persons as they deem fit.

(9) The limit of the amount of medicinal opium to be supplied to any person in any one year commencing from the 1st day of April shall be 400 pounds ; and individual indents shall not be for less than 5 pounds or more than 100 pounds at a time except in case of special urgency ;

(10) Medicinal opium shall be supplied to any person at such price as may from time to time be fixed by the Opium Agent, Benares.

17. No licensed dealer in manufactured drugs shall, except under an authorization granted under rule 32 and subject to the conditions of his license, export manufactured drugs (other than prepared opium) to any part of India outside the State of Bombay.

An indent for opium derivative (other than prepared opium) or medicinal hemp, countersigned by the Chief Medical Officer, Civil Surgeon or the Superintendent of the Civil Veterinary Department shall, for the purpose of this rule, be deemed to be an authorization.

18. No person, unless he is authorised in this behalf by the Director of Excise and Prohibition, Bombay, by a special order made under rule 29, shall export opium derivatives (other than prepared opium) or medicinal hemp exceeding such quantity and otherwise than in such manner as may be specified in such order.

19. No person shall, without an authorization granted to him under these rules for the transport of manufatured drug (other than prepared opium) transport the drugs exceeding such quantity and otherwise than in such manner as may be specified in such authorization.

20. Every person importing, exporting or transporting manufactured drugs (other than prepared opium) shall comply with such general or special directions as may, from time to time, be issued by the Director of Excise and Prohibition, Bombay.

21. Except as provided in rule 22, no person shall import, export or transport manufactured drugs (other than prepared opium) by post, into, out of or within the State of Bombay.

22. Import, export or transport of manufactured drugs (other than prepared opium) shall be allowed by inland post subject to the following conditions, namely :—

(*a*) Only the parcel post shall be used and the parcels shall be insured ;

(*b*) the parcel shall be covered by a permit issued in this behalf by the competent authority at the place to which the parcel is addressed ;

(*c*) the parcel shall be accompanied by a declaration showing the names of the consignor and the consignee, the contents of the parcel in detail, the number and date of the permit covering the import, export or transport, as the case may be, and the number of the license, if any, held by the consignor or the consignee ;

(*d*) the consignor and the consignee, if they are licensees, shall show distinctly in their account books, the names of the consignee and the consignor, respectively, and the quantities of the drugs imported, exported or transported by and to them, as the case may be, from time to time, by post.

23. Nothing in these rules shall be deemed to permit the import of manufactured drugs (other than prepared opium) from any part of India outside the State of Bombay unless the rules for the time being in force in such parts of India relating to the inter-provincial export, have been complied with.

24. (1) A licensed dealer in manufactured drugs may sell, otherwise than on prescription manufactured drugs other than prepared opium, subject to the conditions of his license.

(2) He shall maintain a written record of every sale made under this license in the manner laid down therein and in such manner as the Director of Excise and Prohibition, Bombay, may from time to time direct, and shall preserve such record for not less than two years from the date of the last entry therein.

25. No licensed chemist shall sell manufactured drugs (other than prepared opium) otherwise than on prescription and subject to the conditions of his license.

VI.—Conditions relating to Prescriptions.

26. A prescription for the supply of manufactured drugs (other than prepared opium) shall comply with the following conditions :—

(1) The prescription shall be in writing and shall be dated and signed by an approved practitioner with his full name, qualifications and address. The prescription shall also specify the name and address of the person to whom such prescription is given and the total quantity of the drug to be supplied thereon. If the drug to be supplied be coca derivatives, the quantity shall not contain more than 6 grains of cocaine : Provided that the Collector may by a special order authorise the supply of a larger quantity in the circumstances of any particular case.

(2) The prescription shall not be given for the use of the prescriber himself.

(3) A prescription given by a registered dentist shall be only for the purpose of dental treatment and shall be marked " For local dental treatment only ".

(4) A prescription given by an approved Veterinary Surgeon shall be only for the purpose of treatment of animals and shall be marked " For animal treatment only ".

(5) No practitioner shall give any prescription for the supply of any of the manufactured drugs (other than prepared opium) otherwise than in accordance with the foregoing conditions.

VII.—Approval, Authorization, Licenses and Passes.

27. (1) The Director of Excise and Prohibition, Bombay, may, for the purposes of rule 2 (2) (*iv*) aprove any person engaged in medical or veterinary practice.

(2) The Collector may in like manner approve any person possessed of the qualifications specified in rule 2 (2) (*iii*) for the purposes of that rule.

28. The Collector may, with the sanction of the Director of Excise and Prohibition, Bombay, by a general or special order, authorise—

(1) any approved practitioner in managing or supervising charge of a hospital or a dispensary to possess, import and transport opium derivatives (other than prepared opium) and medicinal hemp in such quantity and in such manner as may be specified in such order ;

(2) any person in charge of an educational institution or engaged in scientific research to possess and use, for educational and scientific purposes only, manufactured drugs (other than prepared opium) in such quantity and in such manner as may be specified in such order ;

(3) a pilot of an aircraft to possess and use on the aircraft in an emergency preparations containing morphine in such quantity and in such manner as may be specified in such order ;

MO-III Bk H 715—86a

(4) any person in charge of an ambulance or a first aid station or a first aid box to possess and use in an emergency manufactured drugs (other than prepared opium) in such quantity and in such manner as may be specified in such order.

29. The Director of Excise and Prohibition, Bombay, may by a special order authorise any person to export opium derivatives (other than prepared opium) or medicinal hemp, subject to such conditions as may be specified in such order.

30. The Collector or any other officer empowered in this behalf by the Director of Excise and Prohibition, Bombay, may grant a dealer's license in Form DD 1 hereto annexed, or a chemist's license in Form DD 2 hereto annexed, to any person who in the opinion of the Collector or such officer, as the case may be, is not likely to abuse such grant, and may fix the quantity of the drugs to be possessed under such licenses.

31. The Collector or such other officer, as the Collector may empower in this behalf, may grant to any licensed dealer in manufactured drugs, or to a licensed chemist an authorization in Form DD 4 hereto annexed, for the import inter-provincially of manufactured drugs (other than prepared opium) not exceeding the quantity which such dealer or chemist may lawfully possess.

32. When any manufactured drug (other than prepared opium) is to be exported to any part of India outside the State of Bombay the person intending to export the same shall first obtain a no-objection certificate from an officer authorised in this behalf under the corresponding rules in force in such other part of India and present such certificate, along with the indent, to the Collector or such other officer as may be authorised in this behalf, at the place of export, who shall then, if he sees no objection, issue an export authorization in Form DD 5 hereto annexed :

Provided that in the case of export of drugs required for use in Government Medical institutions no such no-objection certificate shall be necessary if the Controlling Medical Officer, not below the rank of a Civil Surgeon, or the Superintendent of the Civil Veterinary Department in the district to which the drug is to be exported, certifies by endrosement on the requisition or indent that the drug is required for *bona fide* Government purposes and intimates the facts to the Director of Excise and Prohibition, Bombay, of the places from and to which the drug is to be exported.

33. When any manufactured drug (other than prepared opium) is to be transported, the person intending to transport the same shall first obtain a transport authorization in Form DD 6 hereto annexed, from the Collector or such other officer as may be authorised by the Director of Excise and Prohibition, Bombay, in this behalf at the place to which the drug is to be transported and present it to the Collector or such other officer as may be authorised by the Director of Excise, and Prohibition, Bombay, in this behalf at the place from which the drug is to be transported, who shall complete the authorization and allow the removal of the drug, provided that the quantity of the drug does not exceed the quantity which such person may lawfully possess.

34. The Collector may grant a special authorization in Form DD 3 hereto annexed, to an approved practitioner for the possession for use in the exercise of his practice, but not for sale, of coca derivatives containing not more than 60 grains of cocaine :

Provided that the Collector may allow a larger quantity of the drug containing not more than 120 grains of cocaine, in such cases as he may, having regard to the requirements of the permit holder, considered advisable.

34A. Fees in respect of the transfer of a licence from one site to another or from one name to another, the grant of a duplicate copy of a licence, authorisation or pass, the amendment of licence or authorisation shall be charged at the rates and be paid at the place and in the manner mentioned below :—

(1) *Fee for the transfer of a licensed premises to a new site.*—The fee payable in respect of the transfer of a licence in Form DD 1 from one site to another shall be Rs. 2 and that in Form DD 2, Re. 1. The fee shall be paid before such transfer takes place :

Provided that if consequent on unforeseen circumstances such as fire, earthquake, lightning or any other act of God or by reason of the prevalence of an epidemic, the Collector directs the transfer of a licence from one site to another, no fee shall be chargeable for such transfer. Should the licensee, however, desire to establish himself permanently at such new site, the licensee shall be liable to pay the prescribed fee for such transfer :

Provided further that no fee shall be chargeable for the transfer of a licence from one site to another when such transfer is made within thirty days of the date on which the licence was granted or when, in the opinion of the Collector, such transfer is necessary on administrative grounds.

(2) *Fee for the transfer of licences from one name to another.*—The fee payable in respect of the transfer of a licence in Form DD 1 from one name to another shall be Rs. 2 and that in Form DD 2, Re. 1. The fee shall be paid before such transfer takes place.

Explanation.—For the purposes of this sub-rule, an admission into or withdrawal of a partner from the business of a licensee with the approval of the Collector shall be deemed to be a transfer of licence from one name to another, except in the case of a transfer of licence from the name of a deceased licensee or partner of such licensee to that of his legal heir or representative.

(3) *Fee for the grant of a duplicate copy of a licence, an authorisation or a pass.*—The fee payable for supply to a licensee of a duplicate copy of a licence, authorisation or pass shall be Re. 1.

(4) *Fee for amendment in a licence or authorisation.*—The fee payable for each amendment to be made in a licence or authorisation shall be Re. 1.

(5) *Place of payment.*—The fees payable under these rules shall be paid in the case of the Town and Island of Bombay at the office of the Chief Account Officer of Excise, Bombay, and in the case of the mofussil at the nearest Huzur or Taluka Treasury.

35. (1) Subject to any directions that the Director of Excise and Prohibition, Bombay, may give in this behalf, the officer who has granted a licence or has by order approved or authorised, any person under these rules—

(*a*) may cancel, or suspend such license or order—

(*i*) if such person—

(*a*) has failed to pay any duty or fee payable by him, or

(*b*) has by himself or by any servant or person acting on his behalf, committed any breach of the conditions of such license or order or of these rules, or

(*c*) has been convicted of any offence under the act or under the law for the time being in force relating to excise revenue or of any criminal offence ;

(*ii*) if it is a condition of such license or order that it may be cancelled or suspended at the will of such officer ;

(*iii*) in any other case, after giving to such person fifteen days' notice ; and

(*b*) shall cancel such license or order within fifteen days of the receipt from such person of a notice to the effect that he desires to surrender the same.

(2) When such license or order has been cancelled or suspended as aforesaid, such person shall forthwith make over to the Collector, along with the license, all the manufactured drugs then in his possession.

36. In the case of preparations and admixtures containing cocaine, morphine or diacetylmorphine, the limit wherever specified shall be with reference to the cocaine, morphine or diacetylmorphine contents, respectivey, and not with reference to the quantity or bulk of the preparation, and the bottles, phials, packages or other containers of these preparations or labels affixed to them shall plainly exhibit the actual quantity of the dangerous drugs present in such container or sufficient particulars to admit of the ready calculation of such quantity.

VIII.—Disposal of Drugs and Confiscated Articles.

37. (1) Whenever any article is ordered to be confiscated under section 34 of the Act for an offence committed in contravention of these rules, the Magistrate or the Officer, authorised by the State Government, who orders confiscation, shall make over such article to the Collector for disposal.

(2) The Collector shall cause—

(*a*) all manufactured drugs (other than prepared opium) and diacetylmorphine, confiscated and made over to him under sub-rule (1) and

(*b*) all manufactured drugs (other than prepared opium) made over to him under rule 35 (2) ;

to be examined by the Chemical Analyser to Government. All confiscated diacetylmorphine shall be destroyed. If any drugs examined by the said Chemical Analyser are certified by him to be fit for use, the Collector may sell them to any dealer in manufactured drugs or chemist licensed under these rules or under any corresponding rules for the time being in force in any part of India outside the State of Bombay or to any person authorised by an order made under rule 28 or any corresponding rules in force as aforesaid. The Collector may require any licensed dealer in manufactured drugs or licensed chemist to purchase at such price as the Collector may direct any quantity of such drugs not exceeding such quantity as the Collector may determine to be ordinarily saleable by him in two months. The sale proceeds of the confiscated drugs shall be credited to Government. The sale proceeds of the drugs made over to the Collector under sub-rule (2) of rule 35, shall, however, be paid to the person whose license has been cancelled or suspended. If any such drugs are certified by the said Chemcial Analyser to be unfit for use, the Collector shall cause them to be destroyed.

(3) The Collector shall dispose of all articles, made over to him under sub-rule (1) other than those mentioned in clause (*a*) of sub-rule (2), in such manner as he may think fit.

IX.—Issue of Subsidiary Orders.

38. Subject to the provisions of the Act and of these rules, the Director of Excise and Prohibition, Bombay, may from time to time give such directions as it may think fit for purpose of carrying out the provisions of these rules.

X.—EXEMPTIONS.

39. All preparations containing not more than 0·2 per cent. of morphine or 0·1 per cent. of cocaine and any preparation which the Central Government may by notification in the *Gazette of India* made in pursuance of a finding under article 8 of the Geneva Convention declare not to be a manufactured drugs, may be imported, exported, transported, possessed or sold without any restriction.

40. The provisions of these rules shall not apply to the import, export, transport, possession or sale of codeine, deonin and their respective salts, unless the quantity involved in any transaction or possessed at any one time exceeds one pound.

41. (1) For the purposes of these rules the Collector shall be deemed to be subordinate to the Director of Excise and Prohibition Bombay. Either on appeal by the party aggrieved or otherwise any order of the Superintendent of Excise is liable to be modified or cancelled by the Collector and any order of the Collector is liable to be modified or cancelled by the Director of Excise and Prohibition.

(2) An appeal shall lie to the Government from any order passed by the Director of Excise and Prohibition, Bombay, except in the case of any order passed by such authority on appeal from an order passed by any officer subordinate to such authority.

(3) An appeal under these rules shall be made within ninety days from the date of the order complained of.

(4) Subject to the foregoing provisions of this rule, the provisions of the Bombay Land Revenue Code, 1879, and of the rules made thereunder relating to appeals shall, so far as may be, apply to appeals under these rules.

(5) The Government may call for and examine the record of any order passed by any officer or authority subordinate to it for the purpose of satisfying itself as to the legality or propriety of such order and may modify, annul or reverse such order and may pass such order as it deems fit.

(*c*) medicinal hemp exceeding * in the case of extract and * in the case of tinctures.

In the case of preparations and admixtures of coca derivatives and opium derivatives, the limit shall be fixed with reference to the cocaine and morphine contents respectively, and not with reference to the quantity or bulk of the preparations, and the bottles, phials, packages or other containers of the preparations or labels affixed to them shall plainly exhibit the actual quantity of the dangerous drug present in each container or sufficient particulars to admit of the ready calculation of such quantity.

2. The Licensee shall not keep, store or sell manufactured drugs (other than prepared opium) in any place except in his shop described above. If he wishes to remove any manufactured drug from one place to another he shall first obtain a transport authorization from the Collector for the purpose.

3. The Licensee shall be responsible for the acts and omissions of every person appointed to officiate for him in carrying on the business of the said shop and of all his servants as if the said acts and omissions were his own.

4. The Licensee shall not sell—

(1) Opium derivatives or medicinal hemp except—

(*a*) to a dealer in manufactured drugs or a chemist licensed under the Bombay Dangerous Drugs Rules, 1935, or under the corresponding rules for the time being in force in any part of India outside the State of Bombay.

(*b*) to an approved practitioner ;

* To be fixed by the Collector.

(*c*) to a person specially authorised by the Collector to possess the drug under rule 28 of the Bombay Dangerous Drugs Rules, 1935, or under the corresponding rules for the time being in force in any part of India outside the State of Bombay ; and

(*d*) to a person holding an export authorization granted under these rules, or under the rules issued under section 7 of the Dangerous Drugs Act, 1930 ;

(*e*) to a medical officer belonging to the subordinate medical service in charge of Government and Government grant-in-aid medical institutions.

(2) Coca derivatives, except to—

(*a*) to a dealer in manufactured drugs or a chemist or approved practitioner licensed under the Bombay Dangerous Drugs Rules, 1935, or under the corresponding rules for the time being in force in any part of India outside the State of Bombay, or

(*b*) to an approved practitioner holding a special permit granted by the Collector for the possession of the drug :

Provided that—

(*i*) the quantity of the drug sold shall not exceed the quantity which such dealer, chemist, practitioner or person, as the case may be, may lawfully possess,

(*ii*) the drug shall not be delivered to any person not licensed or otherwise authorised to be in possession of the drug, who purports to be sent by or on behalf of a person so licensed or authorised, unless such person produces an authority in writing signed by the person so licensed or authorised to receive the drug on his behalf and unless the licensee is satisfied that the authority is genuine, and

(*iii*) where for the removal of the drug an authorization is required, the licensee shall before permitting the removal of the drug from his shop by the purchaser, satisfy himself that the purchaser has obtained the necessary permit from the Collector ;

(*c*) to any person in charge of an educational institution or engaged in scientific research and authorised by the Collector under rule 28 (2) of the Bombay Dangerous Drugs Rules, 1935, to possess and use such drugs ;

(*d*) to a medical officer belonging to the subordinate medical service in charge of Government and Government grant-in-aid medical institutions, or to an approved practitioner in charge of Local Board or Municipal dispensaries, or in charge of hospitals and dispensaries belonging to Missions and other corporate bodies or railways.

5. The Licensee may import, export or transport manufactured drugs (other than prepared opium) through the inland post, subject to the following conditions—

(*a*) only the parcel post shall be used and the parcel shall be insured ;

(*b*) the parcel shall be covered by an authorization issued by the competent authority at the place to which the parcel is addressed ;

(*c*) the parcel shall be accompanied by a declaratoin showing the names of the consigner and the consignee, the contents of the parcel in detail, the number and date of the permit covering the import, export or transport, as the case may be, and the number of the licence, if any, held by the consignor and by the consignee ;

(*d*) the consignor and the consignee, if they are licensees shall show distinctly in their account books, the names of the consignee and the consignor, respectively, and the quantities of the drugs imported, exported or transported by or to them from time to time by post.

6. (1) The Licensee shall keep accounts of the manufactured drugs received, sold and held in stock by him from time to time, in the form prescribed by the Collector. The accounts shall be plainly and correctly written up in books bound, paged and sealed with the Collector's seal and shall show in each case of purchase or sale the date of the transaction and the name and the address of the person or firm from whom the purchase was made or to whom or on whose behalf the drug was sold, as the case may be.

(2) The Licensee shall preserve the said accounts and authorizations for not less than two years from the date of the last entry in the account book and shall produce them, together with this licence and any manufactured drugs that may be in his possession at the time, for inspection on demand by the Collector or any other officer duly authorised by him in this behalf.

7. (1) This licence may be cancelled or suspended by the Collector at any time—

(*a*) for non-payment of duty or fee payable by the Licensee ;

(*b*) for default or violation by himself or by any servant or person acting on his behalf of any of the conditions specified in this licence or of the provisions of the Bombay Dangerous Drugs Rules, 1935 ;

(*c*) if the Licensee be convicted of a breach of the peace or of any offence under the Dangerous Drugs Act, 1930, or under the law for the time being in force relating to excise revenue or of any other criminal offence during the currency of the licence ;

(*d*) if the Licensee infringes any of the conditions imposed on him by the Dangerous Drugs Act, 1930, or by the rules in force thereunder ;

(*e*) after giving the Licensee 15 days' notice, or if the Licensee desires to surrender his license, within 15 days from the receipt of such notice from him.

(2) When such licence is cancelled, suspended or surrendered, the Licensee shall forthwith make over to the Collector or to such other officer as he may appoint, his licence together with all manufactured drugs in his possession.

8. The Licensee shall be bound to purchase in such quantity not exceeding that which he is likely to sell in two months, and at such rates as the Collector may direct, any manufactured drugs (other than prepared opium) that may be delivered to the Collector by any other licensee whose licence has expired or has been cancelled or suspended.

9. All preparations containing not more than 0·1 per cent. of cocaine or 0·2 per cent. of morphine and any preparation which the Central Government may by notification in the *Gazette of India* made in pursuance of a finding under article 8 of the Geneva Convention declare not to be a manufactured drug, may be imported, exported, transported, possessed and sold without restriction.

FORM DD 2.

Licence for the possession and sale, on prescription, of manufactured drugs (other than prepared opium) by chemists and approved practitioners.

No.

Licence is hereby granted to of following the profession of at (hereinafter called the Licensee) authorising him under and subject to the provisions of the Dangerous Drugs Act, 1930, and the rules made thereunder, to possess and sell or dispense, on prescription only, manufactured drugs (other than prepared opium) at his dispensary situated at in the

Taluka of the district of / City of Bombay

for a period of one year commencing from the 1st day of April 19 and ending the 31st day of March 19 on payment of a fee of Rs. 2 and subject to the conditions hereinafter mentioned, viz. :—

1. The Licensee shall purchase all manufactured drugs (other than prepared opium) to be sold or dispensed under this licence, from a dealer in manufactured drugs licensed under the Bombay Dangerous Drugs Rules, 1935, or under the corresponding rules for the time being in force in any part of India or in accordance with condition 8. He shall not receive or have in his possession manufactured drugs (other than prepared opium), obtained otherwise than as permitted under this condition. Nor shall he receive or have in his possession any quantity of—

(*a*) coca derivatives containing in the aggregate more than * of cocaine ;

(*b*) opium derivatives (other than prepared opium), containing in the aggregate more than * of either morphine, diacetylmorphine or both ;

(*c*) medicinal hemp exceeding * in the case of extract, and * in the case of tinctures.

In the case of preparations and admixtures of coca derivatives and opium derivatives, the limit shall be fixed with reference to the cocaine and morphine contents, and not with reference to the quantity or bulk of the preparation and the bottles, phials, packages or other containers of these preparations or labels affixed to them shall plainly exhibit the actual quantity of the dangerous drugs present in each container or sufficient particulars to admit of the ready calculation of such quantity.

2. (*a*) The Licensee, unless he is an approved practitioner, shall not keep, store, sell or dispense manufactured drugs (other than prepared opium) in any place except in his dispensary described above.

* To be fixed by the Collector.

(*b*) If the Licensee, who is an approved practitioner, wishes to carry with him, from place to place, for use in his practice, but not for sale, a quantity of—

(*i*) coca derivatives containing more than 20 grains of cocaine;

(*ii*) opium derivatives containing more than 120 grains of morphine or diacetylmorphine or both; and

(*iii*) medicinal hemp exceeding 1 oz. of extract or 4 ounces of tinctures or both;

he shall first obtain an authorization from the Collector for the purpose.

3. The Licensee shall be responsible for the acts and omissions of every person, appointed to officiate for him in carrying on the business of the said dispensary and of all his servants as if the said acts and omissions were his own.

4. (1) The Licensee shall not sell or dispense manufactured drugs (other than prepared opium), except on a *bona fide* prescription, given by himself, if he is an approved practitioner, or by any other approved practitioner, nor in larger quantity nor to any other person than may be specified in the prescription, provided the prescription is not given for the use of the prescriber himself.

(2) A prescription for the supply of manufactured drugs (other than prepared opium) must comply with the following conditions:—

(*a*) The prescription shall be in writing and shall be dated and signed by an approved practitioner with his full name, qualifications and address and shall also specify the name and address of the person to whom it is given and the total quantity of the drug to be supplied thereon. If the drug to be supplied be coca-derivatives the quantity should not contain more than 6 grains of cocaine; provided that the Collector may by special order authorise the supply of a larger quantity considering the circumstances of the particular case,

(*b*) The prescription shall not be given for the use of the prescriber himself,

(*c*) A prescription given by a registered dentist shall be only for the purpose of dental treatment and shall be marked "*For local dental treatment only*", and

(*d*) A prescription given by an approved Veterinary Surgeon shall be only for the purpose of treatment of animals and shall be marked "*For animal treatment only*".

(3) When coca derivatives are to be sold or dispensed, the Licensee shall see that the prescription is marked with the words "*not to be repeated*" and shall not supply coca derivatives more than once on the same prescription, except in pursuance of fresh directions duly endorsed on the prescription by the approved practitioner by whom it was originally issued and signed with his name in full and dated. *Except under a special order made by the Collector* under rule 26 (1) of the Bombay Dangerous Drugs Rules, 1935, the quantity so sold or dispensed at one time or to one and the same person in the aggregate on any one day shall not contain more than 6 grains of cocaine.

(4) Where opium derivatives or medicinal hemp are to be sold or dispensed:—

(*a*) if the prescription does not bear a superscription by an approved practitioner stating that it is to be repeated and at what interval of time it is to be repeated and how many times it is to be repeated, the Licensee shall sell the drugs once only on such prescription, and shall retain the prescription, provided that he shall first warn the person presenting the prescription that, unless it bears such a superscription as aforesaid, it will be retained,

(*b*) If the prescription bears a superscription as aforesaid, and if it appears that opium derivatives or medicinal hemp have already been sold on the prescription six times, or such number of times as the prescription is required to be repeated, or that the interval specified in the superscription has not elapsed since the prescription was last dispensed, he shall not sell the drugs on such prescription, unless it is further superscribed in that behalf by an approved practitioner.

(5) The Licensee shall mark on every prescription dispensed by him, his name, the address of the premises at which and the date on which it was dispensed. In the case of every preparation made upon a prescription which contains manufactured drugs (other than prepared opium) the bottle or other receptacle or the wrapper or other covering in which such preparation is enclosed shall bear clearly marked upon it the amount and percentage of cocaine or morphine or diacetylmorphine or medicinal hemp contained in such preparation; provided that if the preparation be in the form of uniformly divided dosal units, e.g., pills, powders, tabloids, capsules, etc., it shall be sufficient if the bottle or other receptacle or the wrapper or other covering in which such preparation is enclosed bears clearly marked upon it the amount and percentage of cocaine or morphine contained in each such dosal unit.

(6) Where the prescription has to be returned to the person who presents it, the Licensee shall, on the first sale thereon, take and keep a copy of it, and on the occasion of each subsequent sale, note thereon the date of the sale and also sign and seal it.

5. The Licensee may import, export, or transport manufactured drugs (other than prepared opium) through the inland post subject to the following conditions :—

(*a*) only the parcel post shall be used and the parcel shall be insured ;

(*b*) the parcel shall be covered by an authorization issued by competent authority at the place to which the parcel is addressed ;

(*c*) the parcel shall be accompanied by a declaration showing the names of the consignor and the consignee, the contents of the parcel in detail, the number and date of the authorization covering the import, export or transport, as the case may be, and the number of the licence, if any, held by the consignor and the consignee.

6. The Licensee shall file and preserve for one year all prescriptions upon which manufactured drugs have been sold or dispensed by him, and shall produce such prescriptions along with this licence and any manufactured drug that may be in his possession for inspection on demand by the Collector or any officer duly authorised by him.

6-A. The licensee shall maintain a register in such form as may be approved by the Collector, wherein he shall, from time to time, record, in respect of the manufactured drugs (other than prepared opium) dispensed by him, the full names and addresses of the approved practitioners prescribing the drugs and of the persons for whom they are prescribed. The licensee shall similarly record in the said register a true account of the kind and quantity of the manufactured drugs (other than prepared opium) dispensed and the balance held by him in stock. The licensee shall, before the seventh day of each calendar month, furnish to the Collector or such other officer as he may appoint in this behalf, a copy of the entries made by him in the register during the preceding calendar month.

7. (1) This licence may be cancelled or suspended by the Collector at any time—

(*a*) for non-payment of duty or fee payable by the Licensee ;

(*b*) for default or violation by himself or by any servant or person acting on his behalf of any of the conditions specified in the license or of the provisions of the Bombay Dangerous Drugs Rules, 1935 ;

(*c*) if the Licensee be convicted of any offence under the Dangerous Drugs Act 1930, or under the law for the time being in force relating to excise revenue or of a breach of the peace or of any other criminal offence during the currency of the licence ;

(*d*) if the Licensee infringes any of the conditions imposed on him by the Dangerous Drugs Act, 1930, or by the rules in force thereunder ;

(*e*) after giving the Licensee fifteen days' notice or, if the Licensee desires to surrender his licence, within 15 days from the receipt of such notice from him.

(2) When such licence is cancelled, suspended or surrendered, the Licensee shall forthwith make over to the Collector or to such other officer as he may appoint, the licence together with all the manufactured drugs in his possession.

8. The Licensee shall be bound to purchase in such quantity not exceeding that which he is likely to sell in two months and at such rates as the Collector may direct, any manufactured drugs (other than prepared opium) that may be delivered to the Collector by any other Licensee whose license has expired or has been cancelled or suspended.

9. All preparations containing not more than 0·1 per cent. of cocaine or 0·2 per cent. of morphine and any preparation which the Central Government may by notification in the *Gazette of India*, made in pursuance of a finding under article 8 of the Geneva Convention, declare not to be a manufactured drug, may be imported, exported, transported, possessed and sold without restriction.
